## MESSAGE

Communication has remained important since the inception of human civilization. The science has ever strived to minimize the barriers of geographical distances. The invention of Telephone heralded the sequence of advances which has taken us in the era of modern Info-Communication Technology (ICT). The telephone, specially the mobile or cell phones defines the state of outstanding facility which is commonly available. This underlines the utility of a Telephone Directory. The Rajasthan Agricultural University, Bikaner has been keeping pace with ICT and brought out two telephone Directories. It is now pertinent that we also go digital with this third edition.

I appreciate the efforts of Er. Vipin Laddha, Officer Incharge, CIMCA and his team in bringing out the Telephone Directory. I believe it would further enhance the connectivity of RAU family members.

Wishing success to this endeavour,

**(Pratap Narain)**

H ello.....

The quantum leaps in Info-Communication Technology (ICT) are mainly perceptible in telecommunication. The basic gadget of interpersonal connectivity, the telephone, has undergone spectacular changes in terms of functions and efficiency. Now the Directory is a component of cell phones, yet the printed documents have retained their significance on account of the features of permanence, ready availability and space adjustment.

The telephone Directory 2008 represents an improvisation of previous edition of 2004. This time effort has been made to provide information about the home addresses of faculty members and employees. It is believed that it should facilitate increased connectivity and communication.

I am thankful to Hon'ble Vice Chancellor Dr. Pratap Narain for his interest, patronage and guidance in the publication of this Telephone Directory.

Thanks are also due to Dr. A.K. Purohit, Dr. P.N. Kalla, Dr. P. R. Kothari, Sh. G.N. Khandal, Sh. P.S. Chauhan, Sh. Karun Sharma, Sh. S. R. Ranga, Sh. Mohan & Sh. Madan for their help in the preparation of this Telephone Directory. The overwhelming support from sponsors is also gratefully acknowledged.

Contact-Info keeps changing. Expecting its future editions in digitised form, I invite suggestions for improvement of its utility potential.

Looking forward to enhanced facility of communication, I present the Telephone Directory-2008 to RAU family and users.

Happy Talking!

  
(Vipin Laddha)

## **Rajasthan Agricultural University, Bikaner**

Rajasthan Agricultural University was established with its headquarters at Bikaner on August 1, 1987. After carving out of Maharana Pratap University of Agriculture and Technology (MPUAT), Udaipur in 1999, the Rajasthan Agricultural University, Bikaner has more than 75 per cent service area representing 21 districts of arid and semi arid agro-climatic zones of the state.

### **The RAU has objectives of :**

- ☆ Imparting education in agriculture and allied branches of study.
- ☆ Undertaking research work in agriculture and allied sciences.
- ☆ Undertaking mass educational programmes especially for rural people of Rajasthan.
- ☆ Undertaking such other work, activity or project as the University may deem proper in order to achieve objectives for which it has been established.

In order to fulfill these objectives, the University has multifaceted activities in Teaching, Research and Extension education. It also catalyzes close interaction among students, scientists and extension workers for the benefit of farming community. The University has several institutions spread over 21 districts of the state under its jurisdiction.

These are :

- ☆ SKN College of Agriculture, Jobner (Jaipur)
- ☆ College of Veterinary and Animal Science, Bikaner
- ☆ College of Agriculture, Bikaner
- ☆ College of Home Science, Bikaner
- ☆ Institute of Agri-Business Management, Bikaner
- ☆ College of Agriculture, Lalsot (Dausa)
- ☆ Academic Staff College cum Distance Education Centre, Bikaner
- ☆ Central Library, Bikaner
- ☆ Centre for Information Management and Computer Applications, Bikaner
- ☆ Seven Agricultural Research Stations
- ☆ Seven Agricultural Research Sub-Stations
- ☆ Four Live-Stock Research Stations
- ☆ Fourteen Krishi Vigyan Kendras
- ☆ Agricultural Technology Information Centre (ATIC)
